GREAT
EMPOWERING
MOTIVATIONAL
SESSIONS

Meet new **friends**,
explore ideas & learn
different aspects
of **life**.

GEMS

Great Empowering Motivational Sessions works to create and instill values of respect and accountability within each participant.

GEMS helps at risk girls and boys become positive role models and leaders. Participants are exposed to new and exciting experiences. Session topics are reviewed regularly and adjusted to include necessary subjects. Community service is an important part of each participant's individual growth and community awareness.

GEMS participants learn to take pride in themselves and intersect with the other youth programs.

MISSION STATEMENT

To teach youth prevention, social and life skills to positively impact their attitudes and empower them to become productive adults with a passion to succeed.

PURPOSE

- Provide life skills, leadership training, and promote community service
- Prepare and challenge youth to be responsible peer leaders and positive role models

YOUTH PREVENTION LIFE SKILLS

All youth ages 8-16 can benefit from GEMS mobile Youth Prevention Life Skills program. We help youth cope with anxiety, anger management, decision making, self image, and much more.

Funds for this program provided by MidState Network

WOC COMMUNITY GARDEN

Gardening with children not only provides the benefits of exercise and fresh food, it also fosters community, builds strong relationships, and offers opportunities towards common goals.

STUDENT & FUTURE TECHNOLOGY (SaFT)

Students and Future Technology (SaFT), is a Women of Colors science education after school program. The goal of the SaFT program is to bring advanced Science, Technology, Engineering and Mathematics (STEM) training to disadvantaged students in the Great Lakes Bay Region and create a learning environment that increases the use of digital tools to enhance student learning.

WARM A CHILD FOR WINTER

WOC in collaboration with community leaders, schools, churches and other agencies have given over 2,000 new and gently used coats, hats, scarves, gloves and books to underprivileged children in the Great Lakes Bay Region.
